
Mass, Confession, Adoration Chapel & Office Hours Updates beginning 4/8/2021

We have been enjoying seeing all of those who have come back to Mass and cannot wait until all of our parish family congregates in worship again!

During this time, we have been faced with our own challenges and have likely assessed this situation differently than our neighbor. Please know that the Bishop, diocese, pastor, parish leadership and medical experts in our community have tried to develop a way forward that mitigates the spread of COVID-19 and respects the common good of each one of us in our faith family. We appreciate your support and patience as things continue to remain fluid.

“Rejoice in hope, endure in affliction, persevere in prayer.” – Romans 12:12

WEEKEND MASSES:

- No reservations necessary.
- **The church is divided into two sections – roped and not roped. Roped sections create 6’ of distance between pews. Not roped sections are 3’ of distance between families. This is to accommodate more people in the church and to appeal to those who desire to maintain 6’ social distance. Masks are required at all Masses. 5:30 PM Mass will continue to be designated for those 65+ and vulnerable through the dispensation. We recommend all of those in the 65+/vulnerable category attend this Mass.**
- We ask that you still enter through door 1 or the handicap door (if applicable) in order to limit touch points and to use hand sanitizer before entering.
- Please be mindful of your surroundings and others in order to continue & maintain social distancing between families when entering the building.
- Staff & liturgical ministers will continue to have temperatures taken to ensure the safest environment.
- Communion will take place during Mass behind the partition. Ushers will dismiss for Communion beginning with the first pew. Hand sanitizing is required before receiving Holy Communion. Sanitizing stations are available for your use prior to reception.
- A collection will not be taken during the Mass. There will be a basket for you to drop your sacrificial offering in upon entering. We encourage you to continue using Faith Direct (faithdirect.net) or mailing in your contributions. The less surfaces that are touched, the cleaner the environment.
- After Mass, teams will continue to disinfect to mitigate all touch point surfaces

DAILY MASS:

- Please enter through Main doors (Door #1)
- Please be mindful of your surroundings when entering and exiting the building.
- Communion will take place during Mass.
- You may pray in the church after Mass as well as throughout the day during office hours.

CONFESSIONS:

- Confessions will take place at 7:45 AM before 8:30 AM daily Mass on Saturdays and from 4:00-5:00 PM on Saturday evenings.

ADORATION CHAPEL

- Please sanitize your hands prior to entering the Chapel (sanitizing station at interior entrance).
- Masks are required.
- There are to be no more than 6 people in the Chapel at any given time.
 - You are always welcome to pray outside in your car at any time.
 - Priority is given to those adorers who have signed up for a given time.
- You are welcome to bring reading material with you, provided that you take it back with you when you leave.
- If you use the restroom, please exit out the door you entered, and after using the restroom please sanitize the bathroom area you were in with the spray bottle provided in restrooms.
- When you leave please:
 - spray and wipe down your chair and kneeler (solution spray bottles and paper towels located in the Chapel).
 - remove any reading material your brought with you.
 - take a sanitation wipe with you on your way out and wipe down the inside and outdoor door handles.
- If you are not feeling well, please refrain from visiting the Adoration Chapel.
- If you would like to sign up for a Holy Hour, visit west.lafayetteadoration.org.
- If you have any questions or need a sub request, please contact Caleb Schultz at cschultz@dol-in.org.
